

# Faster-than-ever MPO testing

Test MPO-12 cables at 2 wavelengths in just **1 SECOND**

**PXM/LXM**  
MPO OPTICAL LOSS  
TEST SET (OLTS)

Get the right polarity type, textbook referencing and still save time.

- Leading FasTes™ performance
- Dual wavelength on light source
- Insertion loss measurement
- Polarity type validation
- Comprehensive pass/fail results on one page

**FASTEST**

Industry's fastest  
test speeds

Hybrid contactless  
connector (PXM)

3-year  
calibration

4-inch color  
touchscreen

In-line visual fault  
locator (VFL)

Long battery  
life

EXFO's proven  
robustness

3-year  
warranty

Field-replaceable  
battery

**Bluetooth®**

Connects to  
smartphone
